

## The Lost Art Exhibition: Checklist Opening/Closing

### Opening:

#### The storefront space-

1. Open the door into the storefront space.
2. Feel to the far right of the television and press the power button (the lowest button on the right side of the screen). The disc should start playing- if not: After turning the monitor on, press the eject button (the top button on the right side of the monitor). Once the disc has been ejected, re-insert it and it should begin to play.
- 3.
4. Close the door.

#### The monitor-

1. Turn on the center television.
2. Disc should begin to play, if not: Eject the disc and re-insert.

### Closing:

#### The storefront space-

1. Open the door into the storefront space.
- 2.
3. Feel to the far right of the television and press the power button (the lowest button on the right side of the monitor).
4. Close the door.

#### The monitor-

1. Turn off center monitor. That's pretty much it.
