What we have done
will not be lost
to all eternity
Everything ripens at
its time
And becomes fruit
at its hour.

The smile that
you send out
returns to you.

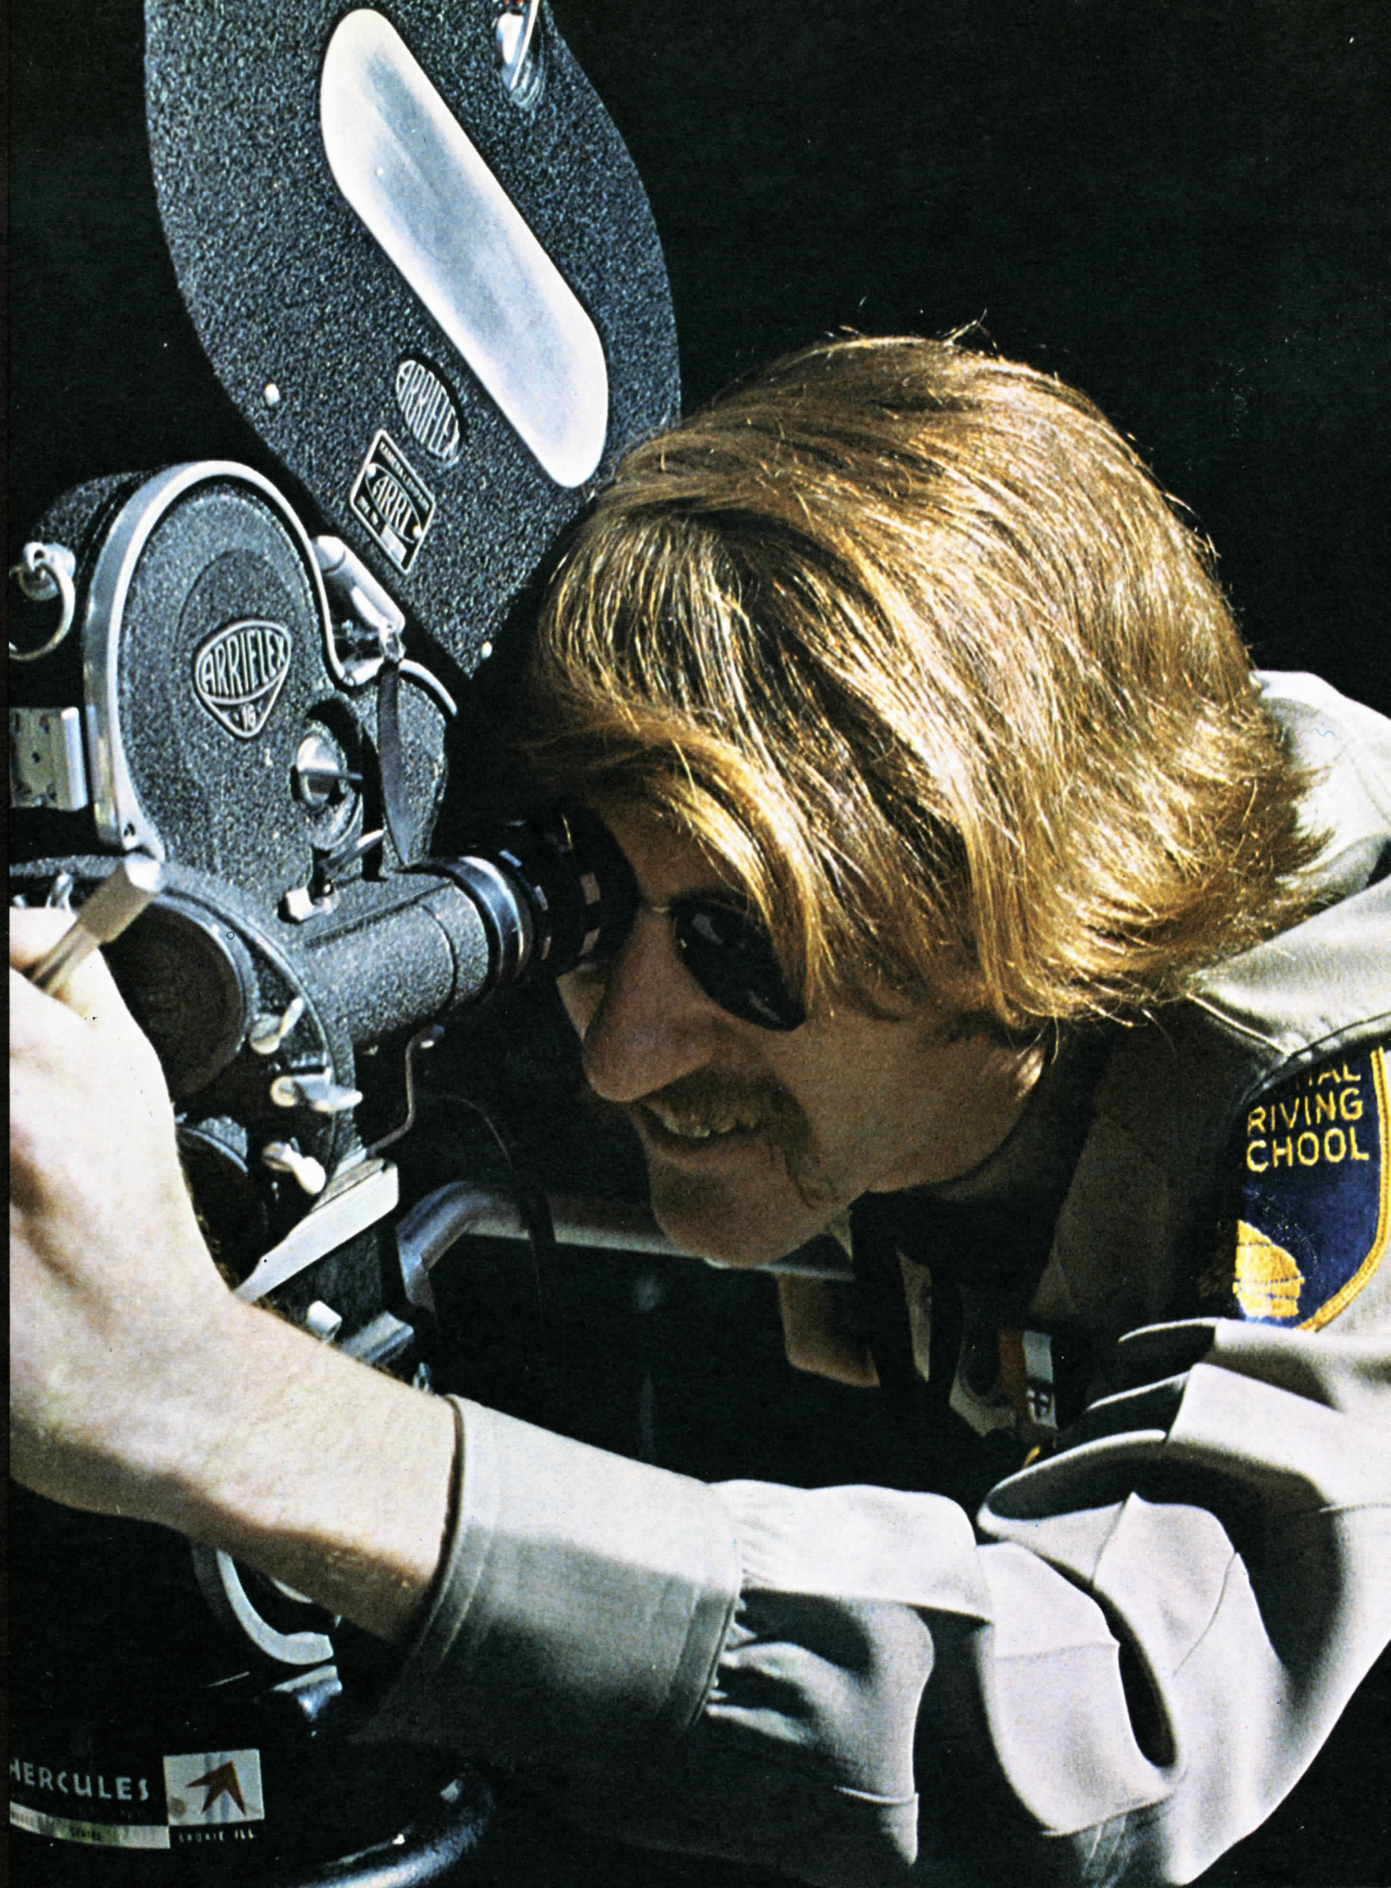

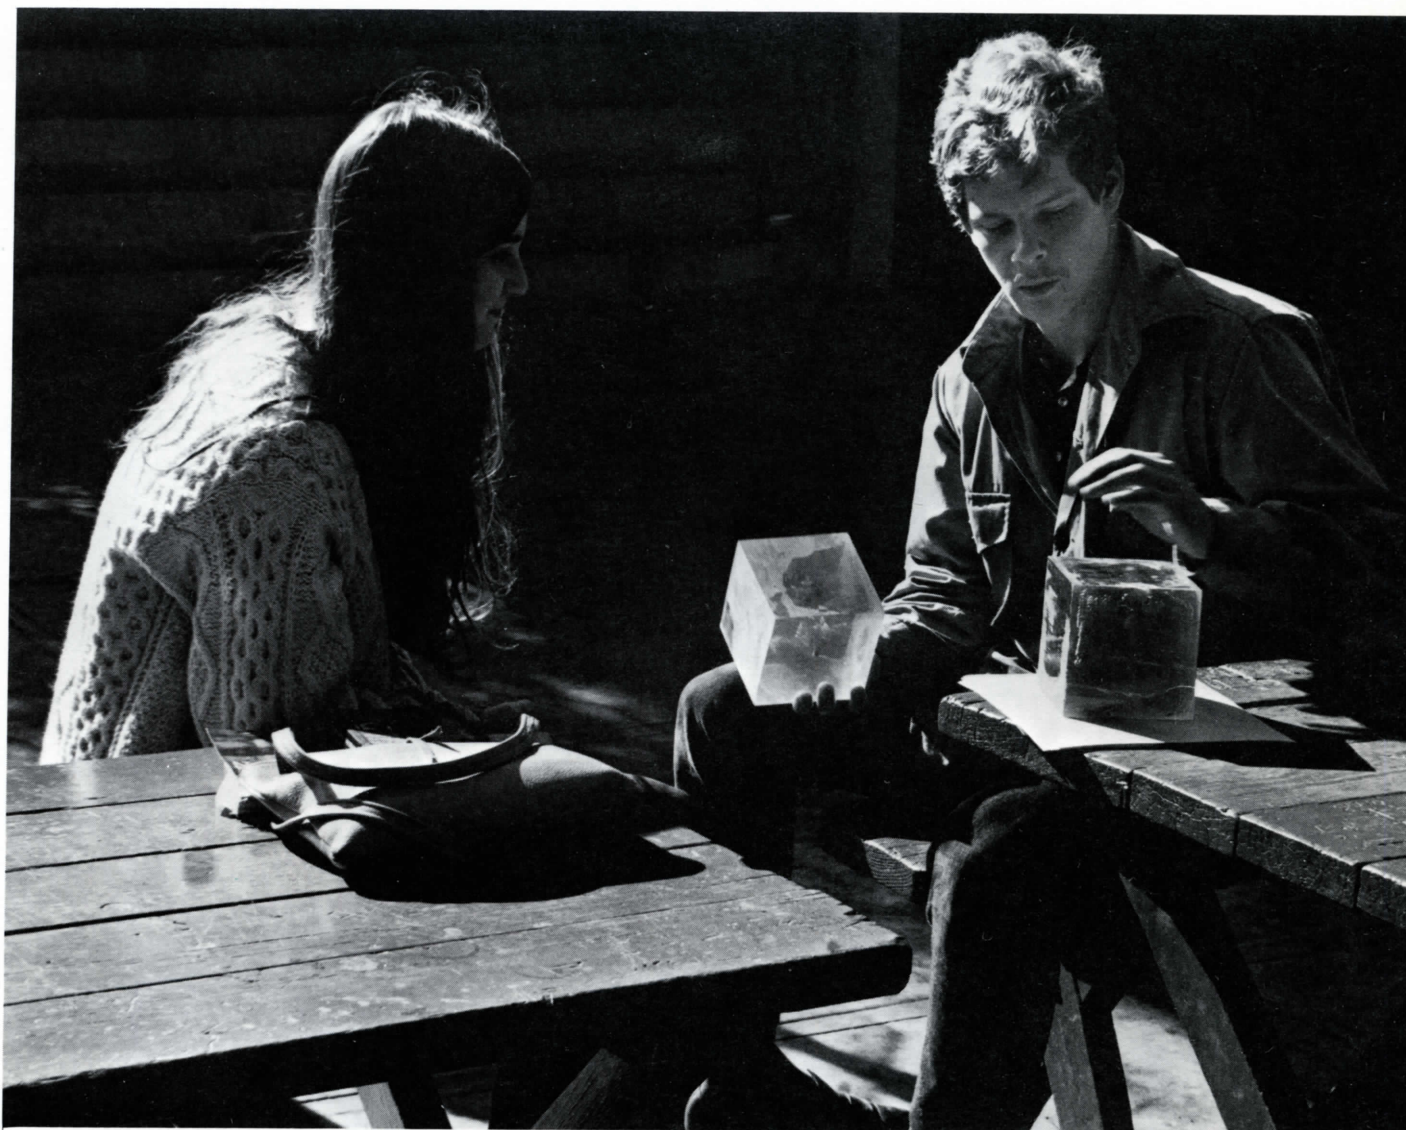

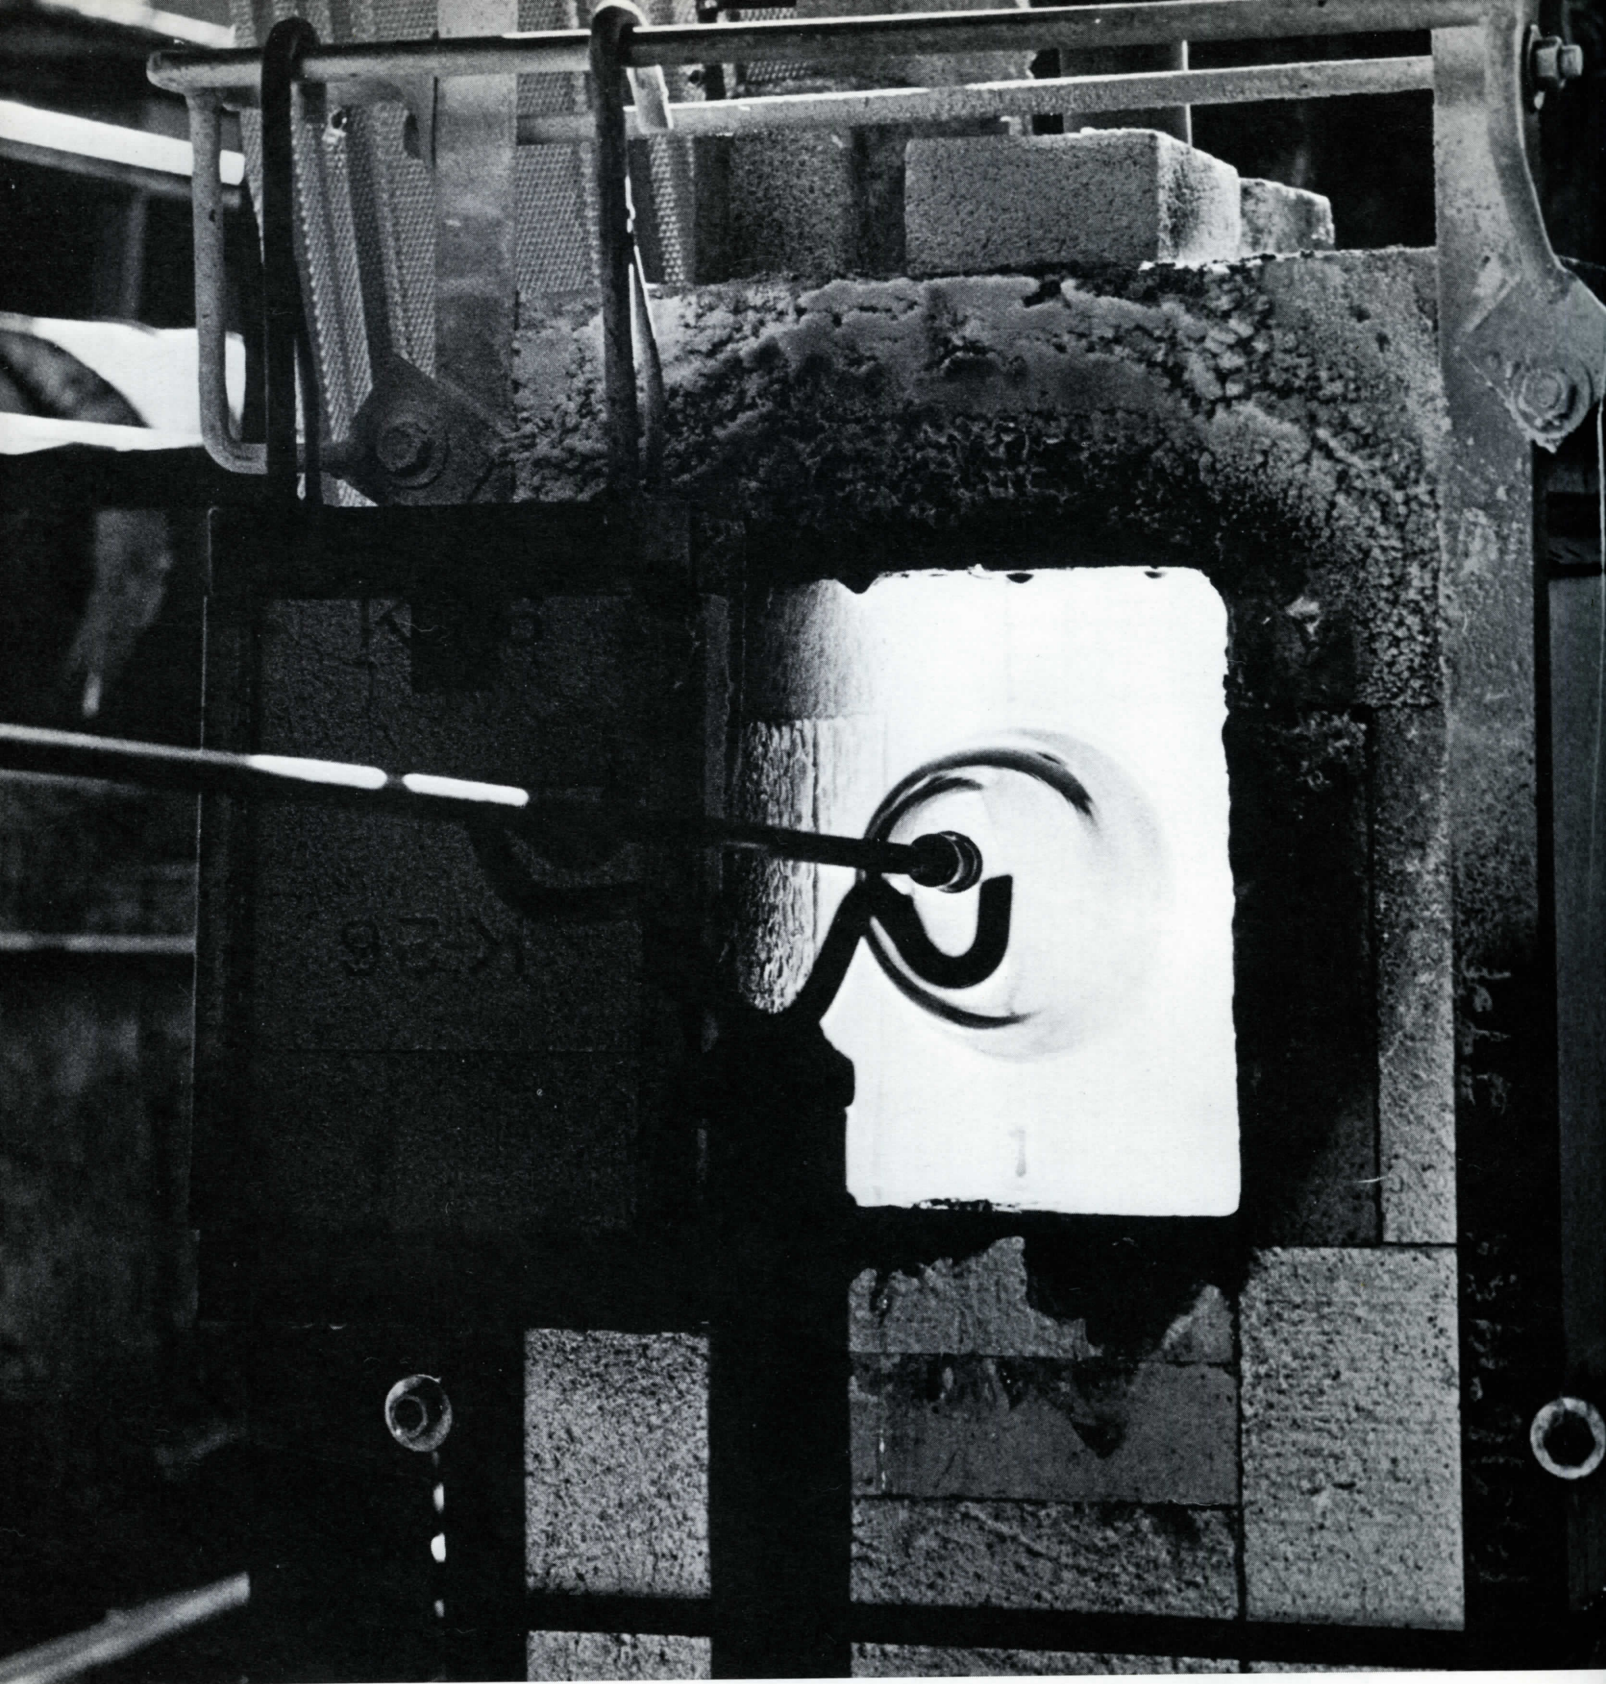

Let's all get up and dance to a song
That was a hit before your Mother was born
Though she was born a long time ago
Your Mother should know — your Mother should know

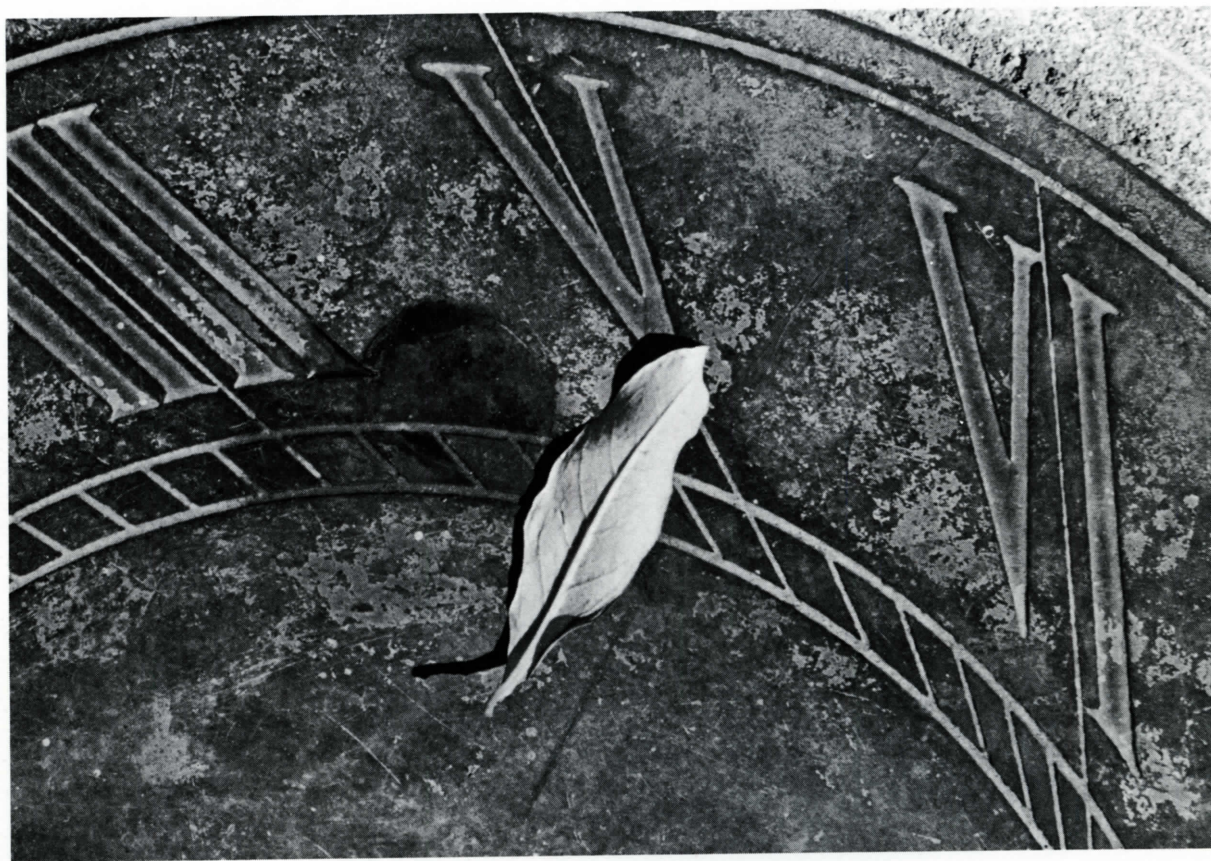

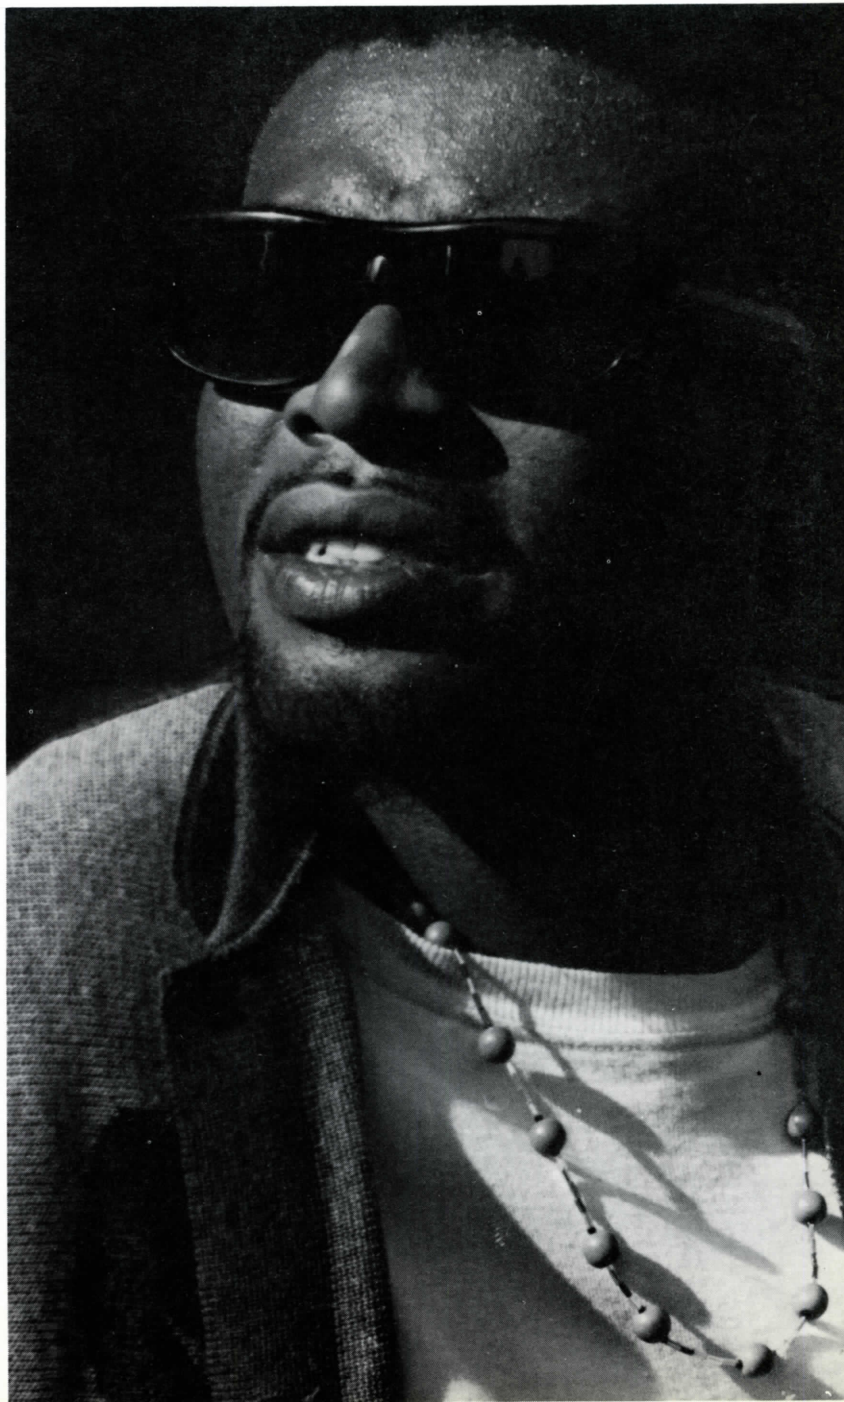

Out of unreality
lead us into
reality
Out of darkness
lead us into
light
From death
lead us
into
immortality
